for TechTalk!

Join us for a discussion on assistive technology for people who are blind or visually impaired.

Experts in the field of technology and vision loss will provide demonstrations, answer questions, and provide strategies to help individuals with vision loss attain their goals.

Topics include high- and low-tech devices, accessible features on iOS devices, apps for daily activities, apps for socialization, talking books, smart speakers and more. All are welcome to join us!

Tech Talk Library

We have collected all our monthly informational talks from experts in various fields for you to listen to anytime and anywhere. Check out our Tech Talk Library at **lighthouseguild.org/techtalk**
