

What Rideshare Drivers Need to Know About Guide Dogs

WARNING:
Federal law and rideshare policies require all drivers to accept service animals.

I'm a guide dog, also known as a service animal.

See my special harness with a long handle.

My job is to guide a person who is blind.

Just ask if you want my head kept away from you.

I'm trained to ride calmly on the floor.

I'm kept clean and brushed.
