

BLIND INSTITUTE OF TECHNOLOGY

## About the Blind Institute of Technology (BIT)

BIT is a global nonprofit staffing and recruiting agency exclusively dedicated to professionals with disabilities. We reduce barriers to inclusive employment through education, preparation, employment placement, and accessible technology initiatives.

1

## Salesforce Consulting

Unlock the full potential of your Salesforce platform with our expert guidance. We transform complex systems into streamlined solutions, empowering your team to work smarter, faster, and more inclusively. With us, your Salesforce journey is seamless and successful.

2

## Accessibility Consulting

We empower your organization to create seamless, accessible experiences for everyone, making sure your digital presence is not only welcoming but also fully compliant, inclusive, and ready to serve all users.

3

## Corporate Education & Training

We equip your team with the knowledge and skills to champion inclusivity, ensuring they're prepared to foster an accessible and welcoming environment for all. Our training transforms your organization into a leader in accessibility and inclusive practices.

4

## Staffing Services

We connect you with top-tier, diverse talent who bring unique skills and perspectives to your team. Our staffing solutions ensure you're equipped with professionals who not only meet your needs but also enhance your organization's commitment to inclusivity and excellence.
