Listen Live

Click the button below to play the Audio-Reader's Radio Reading Service live stream. Broadcasting 24 hours a day, 365 days a year!

Play the live stream

EASY TO LISTEN LIVE OR ON-DEMAND

New! You can now listen to our Kansas City-focused stream. Play Audio Reader's Kansas City stream.

If you're having problems playing the audio, you can download the link to the M3U file for the streaming audio to your computer. Once it's downloaded, you will need to open it. This will launch a program on your computer, such as iTunes or Windows Media Player, that will begin playing the audio.
